

Washington Township Environmental Commission (WTEC)
(Morris Cty), New Jersey
Minutes of July 10, 2006 7:30 PM Meeting

Prepared by: Bob Balsamo

I. Attendance:

Present: Mark Napolitano, Anthony LaVista, Merv Haines, Valerie Walsh,
Bob Balsamo, Frank Ferraro, CJ Sinko, Kathy Smith,
Absent: Ken Short (Township Committee liaison)

II. Discussion regarding June's water sampling. As of the July 10th testing results have not yet been received. Merv suggested that the Musconetcong be tested where it comes into WT by the pump house and leaves the township near the Stephenburg Bridge. It was agreed that at next EC meeting we review the entire list of water testing sites.

III. The Upper Raritan Watershed Assoc. would like to speak to the commission. This may occur at September's EC meeting.

IV. Other Correspondence for the Record Correspondence items below were discussed, Request for NJDEP Highlands Protection Area Approval. Block 12, Lot 29.

NJDEP Highland Act Exemption #9: Block 22, Lot 3.03 and Lot 3.27

NJDEP Highland Act Exemption #4: Block 28, Lot 22, 204 Schooley's Mtn Rd.

NJDEP Suspected Hazardous Substance Discharge Notification. 25 Fieldstone Dr

Highlands Applicability Determination Application. Block 48, Lot 1

Request for LOI – Block 29 Lot 22.

XXV. Other Issues No other issues were discussed. No one was present from the public.

XXVI. Meeting Adjourned – Next Meeting August 7, 2006.
